웹페이지를 보는 시선

The image shows a composite view of a website design. At the top, there is a header section with a blue and pink marbled background. It features a circular profile picture of a person with short dark hair, the name "JANE DOE" in large white capital letters, and the title "FRONT-END DESIGNER" below it. Below this, a central content area has a light gray background. On the left side of this area, the word "Information" is written in pink. To its right, there is contact information: "Lee Jongchan", "glennlee@veamcamp.com", and "Seoul, Korea". On the right side of the central area, the word "Skills" is written in pink. To its left, there is a list of skills: "Photoshop", "Graphic Design", and "HTML+CSS". The entire central content area is framed by a thin gray border. The background of the entire image is a close-up photograph of dark green, textured leaves.
